

Consult Group provides recruitment solutions to the Chemical & Specialty Chemical industries.

Our Consultants make placements across the full spectrum of functions for the Chemical sector, from Research & Development roles in the laboratory to Sales and Business Development experts out in the marketplace. Many of the senior appointments that we make may have regional responsibility, requiring candidates with extensive experience and strong skills.

Our Chemical & Specialty Chemical industry clients benefit by having access to our experienced recruitment resources across the Asia Pacific region. We endeavour to secure for our clients the most capable industry professionals in markets where premium talent is difficult to source and appraise. We work closely with our clients to attract, assess, employ and retain highly skilled and experienced professionals in a variety of areas including:

- Cosmetics
- Flavors & Fragrances
- Petrochemicals
- Plastics
- Polymers
- Adhesives
- Agrochemicals
- Biotechnology
- Coatings
- Resins

We make frequent placements for multinational companies entering or expanding in the region. Our Consultants are familiar with the local, regional and global candidate pools available to the sector and the specific terminology used within the industry which enables them to rapidly source candidates and to effectively assess the skill sets of suitable individuals. Placements include;

- Senior Managers
- Product Managers
- Sales & Marketing Managers
- Technical Managers
- Business Developers
- Laboratory Managers
- Production & Operation Managers
- Research & Development Professionals
- Medical Advisors
- Regulatory Compliance Managers
- Chemists
- Scientists
- Chemical Engineers
- Environment, Health & Safety Officers

Whether you are looking to recruit an individual, a team, a new project or branch opening, we have a tailored solution for you; from delivering on an individual search assignment through to Recruitment Process Outsourcing and Market Intelligence.

Industry expertise and experience

Our strength lies in our ability to work with our clients to identify and understand their differing needs, research organisational values and structures to ensure an ideal fit when placing candidates. We possess an intimate knowledge of our various marketplaces to develop our networking and strong candidate search practices to consistently attract candidates of the highest calibre.

Highest quality service and solutions

Our processes incorporate a fine mix of commerciality, creativity and due diligence. Customer service is fundamental to all aspects of our operations so we work hard to take the pain out of the process for our clients. Our Consultants have strong commercial acumen coupled with significant recruitment expertise to ensure skill suitability in analysing and understanding your needs and evaluating candidates. We have a reputation for being able to deliver on difficult assignments and frequently succeed where others have failed.

Offices in key locations across Asia, Australia and Europe.

Our consultants in each of our locations have an in-depth knowledge of local recruitment practices as well as a detailed insight into the talent supply available to key industries and functional areas both locally and globally.
